

The Children's Gym After School Care

After School Care from those you know and trust.

Our after school care program provides children with 3 fun filled hours at our gym in a safe, positive and active environment. After school care is an affordable and convenient option for parents that guarantees their child's pick up from school, a healthy snack, homework time and hour long physical movement class. After school care is staffed by our highly trained staff with experience in education, physical fitness and are certified in first aid and CPR.

Registration can be done over the phone or in person at The Children's Gym. Spaces are limited and will fill on a first come first serve basis.
